A technical line drawing of a vehicle's front and rear sections. A red circle highlights the front wheel area, and a red arrow points from the front wheel towards the rear wheel, indicating a potential issue with the rear wheel's position or alignment.

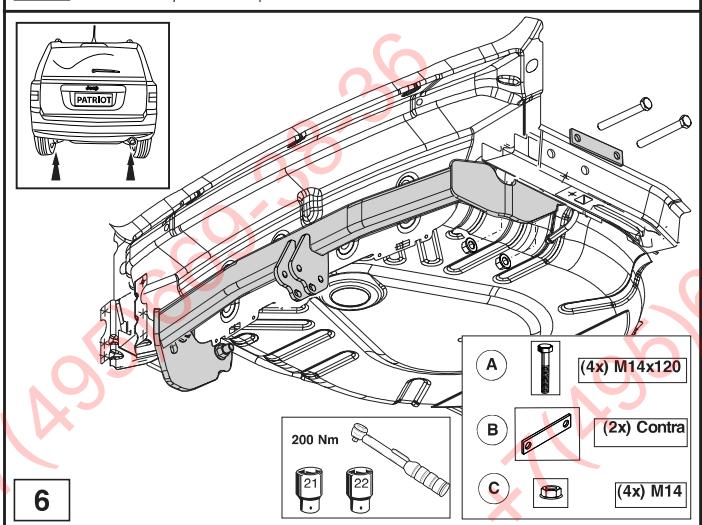

An exploded view diagram of the front bumper assembly. The main part is the front bumper itself, which is shown in grey. It has several mounting brackets and hardware attached to it. A small inset in the bottom right corner shows a detailed view of the license plate area, including the 'PARROT' logo and the 'FRANCE' text.
